### 1 General Information

We take the protection of your personal data very seriously and comply with all applicable data protection laws. If personal data is collected, this only occurs – to the extent possible – with the prior consent of the user of the website. No forwarding of the data to third parties without the express consent of the user shall take place. The following declaration will provide you with an overview of how we provide this protection and which kind of data is collected for what purpose.

### 2 Server-Logs

The server automatically collects information in its log files which is provided by your browser. This information includes:

- Browser type and version
- Operating system
- Referrer URL (the previously visited page)
- Host name of your computer (IP address)
- Date and time of server query.
- Requested file

A visit to our website can result in the storage on our server of information about the access (date, time, page accessed). This does not represent any analysis of personal data (e.g., name, address or e-mail address). Server data is not conflated with other data sources. The data is deleted following statistical analysis.

### 3 Cookie Policy

At several points these web pages use so-called cookies. They serve to make our services safer, more user-friendly and effective. Cookies are small text files which are saved on your computer by your browser. Most of the cookies used on this site are so-called “session cookies.” They are automatically deleted once you leave this site. Cookies do not damage your computer and do not contain viruses.

### 4 Feedback form and E-Mails

This site stores information which you enter on our website or anything you transmit to us with a different method. This covers comments, names, e-mail addresses and URLs which you enter into comment fields. This information is submitted voluntarily and is not checked in any way – you are free to use pseudonyms etc. Data is also collected when you send us e-mail.

### 5 Right to Information

We will gladly provide you with information on all your personal data stored with us. However, we only know what you do. What little we know, we will gladly share with you within the boundaries of access right law. If you have additional questions regarding our handling of your data, please contact us. (Please use the contact form).
